- A student can submit PET Examination applications for maximum three subjects/specializations, only maximum three latest applications of different subjects/specializations will be considered, in such case Entrance Examination Fees shall have to be paid separate for each form. Though a candidate is qualified in the PET for more than one subject, he/she can be considered for Ph.D. Admission in one subject only.
- In case of any grievance or disputes, the decision of the University shall be final and binding on all.
- Admission to any program does not guarantee hostel facility or any kind of financial support in any form like scholarship, fellowship, Earn & Learn etc. The University has independent procedure for offering such benefits, if applicable.
- It is the responsibility of the applicant to fulfil the eligibility conditions and comply with the admission requirements. If at any stage it is noticed that a false claim has been made by the candidate or important material facts have been concealed and / or the candidate is not eligible, his candidature shall be liable for cancellation.
- Candidates are **NOT** required to submit printout of application or any documents to the University after online submission of application. However, these original documents are to be submitted at the time of personal interview at the chosen research centre.
- Incomplete applications/applications without uploading required documents/applications submitted after the due date will be rejected without

assigning any reason and no correspondence will be entertained by the University in this regard.

- No request for change in any information submitted in the online form will be entertained by the University (Mobile, email, centre etc.).
- The entrance examination will be conducted in English language for all faculties, except for subjects Marathi, Hindi, Urdu, Sanskrit, Pali, French, German, Economics, History, Politics, Philosophy, Psychology, Sociology, Adult Education, Education & Physical Education.
- Changes in reservation due to policy decisions of the government from time to time will be applicable.
- If a candidate found not eligible at any stage will be disqualified and in such case fees paid will not be refunded.
- **Candidates from reserved category other than Maharashtra state shall be treated as Open.**
- Admission is provisional subject to conditions on fulfilling eligibility criteria and R.R. Committee approval.
- Eligibility criteria – For more clarity regarding eligibility of a particular subject, students have to confirm it from the selected Research Centre.
- Students are advised to visit website frequently for details.
- Vacancy positions for Ph.D. are likely to be changed.
- Student admissions are dependent on availability of Research Centre and Research Guide.
- The documents provided by the students along with the PET examination application should be submitted by the students at the time of interview. If the said document is not submitted, the admission will be considered as cancelled.
- Admission will be confirmed after verification of original documents by the Research Centres concerned.
- Eligible students will be called for the interview in the ratio of 1:3, based on the category wise number of Ph.D. seats available.
- After the examination admission process will take place only if Research Centres & Research Guide are available.

Online registration process will be treated as completed only after the required documents and application are uploaded **on <https://phd.dypdpuerp.in/> on or before the last day as the application.**
